☐ By ticking this box you agree to the personal details given on this form being held on the Parish Council's Allotments Database while you are on the waiting list and for the duration of your time renting an allotment. The database is used in the Parish Council's management and administration of the allotments. The information held on the database is accessed only by Parish Council staff and will not be shared with any third parties. Personal details will be removed from the database three months after tenancy is terminated.

Please note that priority is given to residents of Hagley when allocating allotments.
